This Act may be cited as the "National Discovery Trails Act of 1999".

#### SEC. 2. NATIONAL TRAILS SYSTEM ACT AMENDMENTS.

(a)(1) Section 3(a) of the National Trails System Act (16 U.S.C. 1242(a)) is amended by inserting after paragraph (4) the following:

"(5) National discovery trails, established as provided in section 5, which will be extended, continuous, interstate trails so located as to provide for outstanding outdoor recreation and travel and to connect representative examples of America's trails and communities. National discovery trails should provide for the conservation and enjoyment of significant natural, cultural, and historic resources associated with each trail and should be so located as to represent metropolitan, urban, rural, and back country regions of the Nation. Any such trail may be designated on federal lands and, with the consent of the owner thereof, on any non federal lands."

(2) FEASIBILITY REQUIREMENTS; COOPERATIVE MANAGEMENT REQUIREMENT.—Section 5(b) of such Act (16 U.S.C. 1244) is amended

by adding at the end the following new paragraph:

"(12) For purposes of subsection (b), a trail shall not be considered feasible and desirable for designation as a national discovery trail unless it meets all of the following criteria:

"(A) The trail must link one or more areas within the boundaries of a metropolitan area (as those boundaries are determined under section 134(c) of title 23, United States Code). It should also join with other trails, connecting the National Trails System to significant recreation and resources areas.

"(B) The trail must be supported by at least one competent trailwide volunteer-based organization. Each trail should have extensive local and trailwide support by the public, by users groups, and by affected State and local governments.

"(13) The appropriate Secretary for each national discovery trail shall administer the trail in cooperation with at least one competent trailwide volunteer-based organization. Where the designation of discovery trail is aligned with other units of the National Trails System, or State or local trails, the designation of a discovery trail shall not affect the protections or authorities provided for the other trail or trails, nor shall the designation of a discovery trail diminish the values and significance for which those trails were established."

(3) both.

Any funds deposited in an outside account may be invested only in income-producing obligations and other instruments or securities that have been determined unanimously by the Federal and State natural resource trustees for the Exxon Valdez oil spill ("trustees") to have a high degree of reliability and security.

(b) Joint trust funds deposited in the Fund or an outside account that have been approved unanimously by the Trustees for expenditure by or through a State or Federal agency shall be transferred promptly from the Fund or the outside account to the State of Alaska or United States upon the joint request of the governments.

(c) The transfer of joint trust funds outside the Court Registry shall not affect the supervisory jurisdiction of the District Court under the Consent Decree or the Memorandum of Agreement and Consent Decree in *United States v. (d) Nothing herein shall affect the requirement of section 207 of the Dire Emergency Supplemental Appropriations and Transfers for Relief From the Effects of Natural Disasters, for Other Urgent Needs, and for the Incremental Cost of "Operation Desert Shield/Desert Storm" Act of 1992 (Public Law 102-229, 42 U.S.C. 1474b note) that amounts received by the United States and designated by the trustees for the expenditure by or through a Federal agency must be deposited into the Fund.

(2) All other funds remaining on October 1, 2002, and the associated earnings shall be used to fund a program, consisting of—

(A) marine research, including applied fisheries research;

(B) monitoring; and

(C) restoration, other than habitat acquisition, which may include community and economic restoration projects and facilities (including projects proposed by the communities of the EVOS Region or the fishing industry), consistent with the Consent Decree.

(f) The Federal trustees and the State trustees, to the extent authorized by State law, are authorized to issue grants as needed to implement this program.

(g) The authority provided in this Act shall expire on September 30, 2002, unless by September 30, 2001, the Trustees have submitted to the Congress a report recommending a structure the Trustees believe would be most effective and appropriate for the administration and expenditure of remaining funds and interest received. Upon the expiration of the authorities granted in this Act all monies in the Fund or outside accounts shall be returned to the Court Registry or other account permitted by law.
